- Experience in undertaking research with implications for the agri industry, economy and investments is key.
- Experience in Implementing research views in investment portfolios

- High level research innovation and creativity that can translate into investment ideas to be implemented on the PIC Portfolio.

Duties:

- Produce Industry-leading proprietary research that generates investment views and ideas in agriculture & agri-processing for implementation in the PIC Portfolio.
- Identify investment opportunities in agriculture & agri-business for unlisted investment divisions.
- Undertake thematic research and thoughtful leadership pieces to drive investment strategy.
- Develop and update sector investment strategies for agriculture and agri-business.
- Undertake market research analysis for unlisted transactions.
- Monitor risks affecting the agriculture industry and impact of PIC agri investments and portfolio.
- Support the deal team during due diligence process and in evaluating new potential investments as well as the post-investment teams in value creation initiatives and turning businesses in distress around.
- Supervising and mentoring senior analysts and research analysts.

Competencies and skills:

- Excellent writing and communication skills
- Excellent presentation skills
- Industry and sector research
- Ability to work alone and in a team environment
- Good time management
- Performance and results-oriented
- Ability to deal with pressure/stress
- Stay abreast with the latest trends in the economy
- Problem-solving skills
- Ability to evaluate market intelligence
- Customer service orientated
- Management skills
- Analytical thinker

- Good understanding of Risk

Our firm values diversity, and excellence and is committed to the realisation of these across all operations and investment activities. If you are dynamic, resilient, agile, disciplined and willing to be part of a team that is focused on creating meaningful change, you are welcome to submit your application for this position.

Closing Date: 31 October 2024

*** Grade Range: The grade range for this position is from E1 – E4, commensurate with applicable minimum requirements.**

The PIC is an equal opportunities employer, aligning appointments with the PIC Employment Equity plan.
