- B Com, BSc or any related quantitative degree
- 2 – 4 years relevant experience
- FAIS RE 05 certification or must be obtained within 6 months of employment
- Post graduate degrees and/or CFA, FRM will be advantageous

Duties:

- To identify, analyse, measure, evaluate, monitor and regular reporting of market risk (daily, monthly, quarterly, annual reporting requirements)
- Periodic valuation of financial instruments, derivatives, and other structured investment products
- Adherence to market risk policies and guidelines to ensure that risk management controls remains robust within market risk
- Compilation of risk reports for internal and external stakeholders (e.g. management and clients)
- Presentation of risk reports to internal and external stakeholders
- Periodic portfolio analysis (e.g. stress-testing) (daily, monthly, as required)
- Regular review of pricing models used
- Maintain market and instrument pricing

Competencies and skills:

- Strong analytical skills
- Strong quantitative skills
- Advanced Excel, MS Access and VBA skills
- Knowledge of Matlab, SAS and/or R
- Knowledge of risk management principles and practices
- Asset management and/or financial services knowledge and experience
- Valuation capabilities (listed and unlisted instruments) and knowledge of valuation techniques
- Financial modelling capabilities (build, maintain and validate models)
- Ability to work to tight deadlines
- Ability to work in a highly pressurized environment
- Compliance management
- Financial analysis skills
- Pro-active thinking
- Information systems
- Inter-personal relations
- Creativity/innovation
- Good communication skills, both verbal and written

With the PIC having topped the R2 trillion mark in assets under management and in the process of entering the global investment market, it is the best asset manager any serious professional would want to be associated with. It is also one of the better places from which one can serve South Africa.

PIC is an equal opportunities employer and as such appointments will be in line with the PIC Employment Equity plan.

Closing Date: 9 December 2021
