

06 August 2021

The Public Investment Corporation (PIC) invests funds on behalf of public sector entities including the Government Employees Pension Fund. The organisation is the largest investment manager in the country and the continent. Applications are invited from dynamic individuals for the following challenging position:

Position: Senior IT Auditor (Re-advertisement)

Grade: D1 – D5

(Ref: SITAUD002)

Salary: All-inclusive remuneration package negotiable

Centre: PIC Internal Audit

Requirements:

- Grade 12
- BCom or Hons degree in Information Technology, Computer Science, Management Information Systems, Business Science or a related discipline
- 5 years relevant experience, of which at least 3 years must be in a senior/supervisory role
- CISA certification, CISSP or CISM certification

Duties:

- Perform audits allocated by the Audit Manager in line with approved annual audit plan while complying with relevant internal audit standards.
- Assist the Audit Manager in preparing the risk universe and risk based audit plans
- Assist audit clients in understanding and remedying their internal control shortcomings
- Perform ad-hoc assignments allocated by the Audit Manager
- Provide supervision and coaching to Junior Auditors
- Perform effective follow ups on audit findings and prepare appropriate reports
- Researching and providing thought leadership on governance, risk management and internal controls

Competencies & Skills

- Demonstrable experience in auditing Database Security, Operating System Security, Network Security (Firewalls, routers, switches, Antivirus, etc) among others
- Experience in performing follow ups of findings from network vulnerability assessments and penetration tests will be an added advantage

- Experience in performing application controls reviews, general computer controls, IT governance Audits, and Data Analytics among other things.
- Knowledge of best practice frameworks such as COBIT, King IV, ITIL and ISO 27001 among others
- Experience in performing audits within the Financial Services Sector or State-Owned Enterprises environments
- Ability to multi-task and prioritise tasks
- Strong organizational and project management skills
- Ability to build and maintain relationships with peers and management
- Excellent communication skills
- Excellent report writing skills
- Negotiation Skills
- Time management
- Performance and Result oriented
- Ability to deal with pressure/stress
- Problem solving
- Customer service orientated
- Strong analytical and numerical skills
- Ability to multi-task and prioritise tasks

With the PIC having topped the R2 trillion marks in assets under management and in the process of entering the global investment market, it is the best asset manager any serious professional would want to be associated with. It is also one of the better places from which one can serve South Africa.

Closing Date: 13 August 2021

PIC is an equal opportunities employer.
